

Remegest Vet Powder

Appetizer and digestive stimulant powder

Composition:

Each 100 gm powder contains:

Ammonium Bicarbonate BP	25 gm
Sodium Bicarbonate BP	65 gm
Gentian Powder BP	1.5 gm
Nuxvomica BP	7.0 gm
Ginger Powder BP	1.5 gm

Indication: For the treatment of ruminant animals suffering from indigestion, inappetence, anorexia, gastritis and ruminal impaction.

Benefits of Remegest Vet powder:

- Restores and balances the bicarbonate ions that body may lose due to hot environment and stress condition
- Relieves gastritis
- Plays an important role to excrete saliva, bile & different digestive enzymes
- Acts as carminative and causes the expulsion of gases from the stomach and enhances the excretion of gastric juice to relief from dyspepsia, flatulence and colic. It also acts as antispasmodic.
- Effective against rheumatic arthritis, paralysis and nervous weakness.
